EXPERIENCE

Freelance Motion Designer / January 2020 -Current

Brooklyn, NY

Creating animations and illustrations for a variety of clients. These clients include Google, IBM, Bubly, Logitech, and the MLB.

Motion Designer at Black Math / June 2019 - November 2019

Boston, MA

Worked alongside the team at Black Math to create various animations for different clients. My role had me working on all aspects from design to animation whether that be cel or 2D motion graphics.

Intern at Legwork Studio / Summer 2018

Denver, CO

Intern at a creative production studio working on everything from illustration to animation and editing. Learned new techniques as well as gaining industry skills.
